

# COVID-19 SAFE STRATEGY PLANNING

There are many ways WestKey Graphics and Xibita are shifting efforts to address the evolving needs of our valued clients during this uncertain time. What WE are certain of is that business will resume. That said, the corporate landscape will be drastically different as we all must reinvent how we operate in order to resume business as usual. It is our promise to dedicate resources to the highest standard of thoughtfulness and quality to best support you. We commit to do this in a consultative and collaborative way. Let us help you prepare short and longterm in your initiatives to get back to business.

Re-entering the workplace.  
**BACK TO BUSINESS**

# MISSION STATEMENT

## **We're here to help!**

How will your business operate to keep employees and customers safe?  
We have the solution!

## **Make it Comfortable**

Customer experience, convenience and comfort is the key to your business thriving.  
Ensure your visitors and valued staff are safe and protected in your restaurant.

**Let us consult you on all our market tested products!**

## **Make it Safe**

We designed many products that can be customized by shape and size,  
branded to suit your needs.

All products designed for functionality, minimalism,  
maintaining light and clear line of site.

## **Make it Known**

As product and service providers we all have an obligation to create awareness  
and demonstrate a clear understanding of safety measures.

We've compiled that information for you. Use our standard items as they are,  
or customize these materials to suit your environment and brand.
